

FALLS MANAGEMENT IN CAREHOMES : A MAJOR CHALLENGE

A high-risk population for falls

of older people in
carehomes fall at least
once a year

Source : WHO 2004

2 falls /year
per resident

Source : Rubenstein et Coll

A strong pressure for caregivers

HOW INNOVATIVE TECHNOLOGIES CAN BE AN ADDITIONAL SUPPORT TO :

1. Act on the environment
2. Facilitate fall detection
3. Identify those at risks
